Introduction

Family Armour You Always

This is our name & goal

FAYA, the child who cried in pain and endured the hardships of illness, earnestly asked her father, "When will I have the opportunity to help all the patients in the world, particularly the children, and alleviate their suffering, bringing smiles to their faces?" Deeply moved by her heartfelt plea, her father embarked on a visionary mission, supported by a benevolent donor, to find a solution for her treatment.

He reached out to generous benefactors and skilled individuals capable of creating a cryptocurrency in FAYA's honor, intending to sell it as a loyalty token. In a compassionate gesture, they resolved to donate 40% of the proceeds to assist children worldwide, enabling them to witness the profound impact they were making and instilling hope in the hearts of these children and their families.

FAYA represents a beacon of hope for the bright future of our children, valiantly fighting against pain and infection, and emerging as their unwavering ally.

Tokenomics

Token Distribution is the process of distributing tokens to investors, and Token Sale Stats are metrics of a token sale, such as total tokens sold and total amount raised..

Frequently Asked Questions

What is Faya World (FAYA) and What it do?

FAYA is a utilized token that aims to prioritize donations for the health and smile of the world's children. This means making the dreams and wishes of a sick child into a tangible and transparent reality in helping all sick, orphaned and poor children in the world, so that every child has a share in smiling and good health.

Where Can I Buy FAYA?

Currently, Faya (FAYA Token) can be purchased on FayaSwap and PanCakeSwap, and more exchanges are expected to be added in the near future.

Which markets are FAYA targeting?

There is no specific market because FAYA is present in every home and family and we are proud of people with hearts rich in humanity, love and mercy to give charitable work longer-lived and more capable and strong.

Why is investing in FAYA a unique opportunity?

We must answer this question with transparency and logic. You will buy this currency and know that a large percentage goes to donate, for the children and at the same time, that child gives you a great chance of winning and winning hundreds of times over. As a child, I became healthy and happy, and you, as a buyer or donor, became rich and happy.

What is the expected return on investment for FAYA?

The largest and most expensive return on investment from this currency is the health and smile of a child. But never forget all the possibilities in the world of cryptocurrencies, and according to the opinions of the experts concerned, this cryptocurrency is a bright future and, at the lowest rate and within a short period of time, it may break its three primary zeros, which means an increase 1000 times from its original launch price.
